Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

(Mallory Kertzmann V)

Red Deer Press. Hardback. Book Condition: new. BRAND NEW, Letters from the Flesh, Marcos Donnelly, Letters from the Flesh, the second book by new SF novelist Marcos Donnelly, sets a breathtaking pace, tackling far-reaching themes like evolution, fundamentalism, quantum realities, and the very core of human nature. The novel is a fictional collection of two sets of letters united by a single secret, but separated by two thousand years: - the first-century epistles of a non-physical alien entrapped in the body of St. Paul the Apostle, accidentally triggering the birth of Christianity; - the emails of microbiologist Dr. Lillian Oberland, a young college adjunct writing to her cousin Michael, a public school biology teacher facing the wrath of Creationist parents. The letters reveal a relationship far deeper than passing coincidences-and signal that cousin Michael's unexpected conversion to fundamentalism might have interspecies consequences that cross the millennia.
