NINE DAYS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 282 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Andy Qwinn has always loved everything about water. She trains all year to keep her spot on her high schools swim team. She volunteers at an aquarium. And she earns extra money as a science tutor to help her reach her dream of going away to college and working to protect marine animals and their ocean homes. In a family where artistic abilities are coveted above everything else, being placed on the varsity swim team as a freshman or earning an internship to work with sea otters aren't seen as great accomplishments. Spending the summer in art camp is more important than being offered the chance to study dolphins in Belize. Her four siblings have been in the artistic spotlight since preschool. Everything changes when she decides to runaway and spend her spring break doing what she's been dreaming of doing for years. With the click of a mouse, she changes her itinerary from an ordinary week long visitation with her mom, step-dad and step-sister to an extraordinary nine days in Hawaii, working at an aquarium with a couple of monk seals and their intern - Kai. She spends the week meeting new people, getting the chance to experience things...
