Brand New Book ***** Print on Demand *****.Amazing Facts 340 Incredible Facts Your Teacher Did Not Tell You at School is a collection of all those amazing facts that no one teaches at school. Yes we all go through school learning all about how to read and write. Later we take to one course or the other in college and then we come out ready for a career in the private or public sector. There are so many interesting facts which we do not know about which will thrill us tremendously. These facts I have gathered in this book. Examples: 1) Your nose runs when you cry because there are little holes in the corners of your eyes which drain excess tears into your nose. 2) Paul McCartney s first name is James. 3) 55 of people will yawn after reading the word "yawn." 4) "Somniphobia" is the fear of sleep. 5) The average person wakes up about 6 times every night. 6) A snail can stay asleep for 3 whole years. 7) Having an orgasm a day can add...
