Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

MECHANISMS OF ISOMORPHISM

GRIN Verlag Sep 2008, 2008. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject Politics - International Politics - Region: South Asia, grade: 2,3, Bielefeld University (Fakultät für Soziologie), course: Grundrechte, 21 entries in the bibliography, language: English, abstract: This essay analyzes the question why the military regime of Myanmar recently makes efforts to give the country a constitution, although it used especially the missing of a constitution for a stabilization of its power and would limit it through an installation of a constitution and the included basic rights. For a reply to this question I raise the new institutionalist 'world polity' approach of John W. Meyer, which is suitable to explain this apparently contradictory proceeding and also makes the political proceedings of the country in the past more distinct. 24 pp. Englisch.
