Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Brand New Book ***** Print on Demand *****.Excerpt from The New Theoretical and Practical Complete Book-Keeping: By Double and Single Entry, for Use in Business Colleges, Common Schools, High Schools and Academies In these pages will be found the result of the latest and best efforts of the authors to provide a text-book on the theory and practice of book-keeping. The Book-keeping has been a phenomenally successful book. While it was designed primarily for use in the school from which it emanated, it at once secured popular favor and a wide introduction into other schools. Since its publication, ten years ago, it has been the leading class-book upon this important topic, and has reached the enormous sale of two hundred thousand copies. The book has been changed and improved in minor parts from time to time as occasion seemed to demand, and during the past two years it has undergone a complete revision. The first part of the book was revised during the past year, and the tests given it by many teachers have fully demonstrated the wisdom of the changes which were made. The revision of the advanced portion of the book has just been completed, after much careful study, patient investigation, extended research among business houses, consultation with commercial teachers, and thorough tests of the matter selected; and it is presented to the public with confidence that it will be found thoroughly practical, replete with the best ideas of the day on the subject, and presented in a logical and teachable manner. It is the design of this work that the student s mind shall be constantly directed to the matter in hand - that of learning practical book-keeping - and not...
