

Democracy and Civil Society in Asia : Democratic Transitions and Social Movements in Asia

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Palgrave Macmillan, UK, 2004. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. 240 Pages. NEW. This collection explores the possibilities for expanding and consolidating existing democratic spaces in Asia, under the pressure of market reforms. Emphasizing the need for going beyond the official and elitist discourse on constitutional democracy and market economy, the contributors to this volume offer penetrating insights into the prospects for democratic development in the region in the new millennium. They analyse the complex challenges of deepening poverty and indentify obstacles hindering the empowerment of marginalized communities such as women, peasants, workers and ethno-religious minorities. The contributors also suggest ways to engender development through grassroots democracy in Asia in the twenty-first century. Book Description: This collection explores the possibilities for expanding and consolidating existing democratic spaces in Asia, under the pressure of market reforms. Emphasizing the need for going beyond the official and elitist discourse on constitutional democracy and market economy, the contributors to this volume offer penetrating insights into the prospects for democratic development in the region in the new millennium. They analyse the complex challenges of deepening poverty and indentify obstacles hindering the empowerment of marginalized communities such as women, peasants, workers and ethno-religious minorities. The contributors also suggest ways to engender development through grassroots democracy in Asia in the twenty-first century. : Review: 'the editors have managed to compile two commendable volumes on certain essential issues concerning not only Asia, but the entire world today.' - Monica Lainer, Contemporary South Asia : About the Author: FAHIMUL QUADIR is Associate Professor of the Division of Social Science and coordinator of the International Development Studies Program at York University in Toronto. He has recently contributed articles to the journals Contemporary South Asia, New Political Economy, and chapters to South Asian Studies, Hentz and Bøås...
