### ***Reviews***

*Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.*

*(Bernardo Feeney Jr.)*

## MY VIEW OF WW2

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My father began writing this book six years ago, when he was 84. He wanted to document his experiences for future generations of the Dorris family to share. He gave a copy to each one of his children and grandchildren. Since then copies have passed around to other family members and friends who continued to suggest a wider circulation. His story shows the depths cruelty can descend when civility is replaced with fear. Yet, even in the midst of the horror of war, compassionate acts can inspire bonds of humanity. His short book lets us know we all can overcome the fear and anger of war. This book gives a face to the real enemy. In a world increasingly polarized along national, political, or religious boundaries, his stories give a frank reminder that we should be cautious before making moral judgments about those with whom we disagree. He reminds us one s moral courage defines character. Neither cruelty nor compassion was limited to just one side of the war. My father never claimed that he was more courageous than the man fighting alongside him. He did not singlehandedly win a battle, nor did he receive any recognition beyond what many received after the war. The extraordinary acts of courage and compassion described in this book were performed by ordinary people, from both sides of the war. They send a powerful message that the potential for such acts is not restricted to just a few heroes. We all have that potential and we all must believe in the potential of others. We all must believe we can create bonds to cross enemy lines. The challenges dad faced...
