Reviews

This ebook is very gripping and fascinating. Sure, it is engage in, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ms. Ora Buckridge)

THE GOSPEL ACCORDING TO WAFFLE HOUSE: REIMAGINING THE COMMUNITY OF FAITH

Match Point, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. We don t need more of the church; at least not more of the church as we have previously known it. We don t need more straight-laced, behavior-management obsessed, bottom-line focused, boundary-drawing corporations calling themselves the Body of Christ. No, we need this thing we call church to look more like a local diner - more like a neighborhood bar - more like a Waffle House restaurant - then, people might feel welcomed at church once again. - Ronnie McBrayer In The Gospel According to Waffle House, Ronnie McBrayer employs his years of experience as a pastor, chaplain, and syndicated columnist, to challenge people of faith to rethink how they do church. He proposes a modest, commonsense vision that would reshape Christian congregations into welcoming places for all people; places that would preach and practice simplicity; and places that would operate with grace and flexibility. This is essential reading for those who wish to do simple church in a time when Christianity is increasingly fragmented and complicated. If you have been looking for a back-to-the-basics model for your church, then the table is spread. The Gospel According to Waffle House is for you. Ronnie McBrayer leads A Simple Faith in Santa Rosa Beach, Florida and is the author of multiple books and publications including his nationally syndicated newspaper and internet column, Keeping the Faith.
