

## The Narcotic Drug Diseases and Allied Ailments: Pathology, Pathogenesis, and Treatment (Classic Reprint)

By George Eugene Pettey

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Narcotic Drug Diseases and Allied Ailments: Pathology, Pathogenesis, and Treatment The conviction, reinforced by long experience, that drug habits are, in most cases, the blameless victims of disease, and that they not only merit sympathy and consideration, but are entitled to rational and skillful medical aid, such as is accorded the sufferers from other physical ailments, has impelled the author to write and publish this work. This volume treats narcotic addiction as a disease, a toxemia, of drug, auto and intestinal origin, the management and treatment of which belong to the field of internal medicine and not to neurology. The vital and essential principle of the treatment advocated is elimination. This method, with all its auxiliaries, is presented herein in detail, and furnishes a rational basis for the scientific medication and humane management of these cases. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. ### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Keanu Johns**

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*

-- **Tobin Lesch**
