Xlibris. Paperback. Book Condition: New. Paperback. 90 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Book Summary: Holiday Songs and Kisses is a collection of poems that came from ideas I had while attending a spiritual support group in Chicago called The Living Circle. These poems express my longing, as a Gay man living with HIV, to connect with my partner, friends and family as well as geniuses of art and literature in order to find spiritual enlightenment. They are personal poems yet convey universal themes for meditation that are inclusive of anyone who attempts to sympathize with others and love another human being. These poems transcend the faults of disability to praise others with songs, words and kisses. This book comes as the reward from much therapy. I've encouraged my partner, Mike, who is HIV negative, and people on the internet to write letters as well about many issues like Gay, Lesbian, Transgender Human Rights, Environmental Issues, Health Care, Housing, Gun Violence, etc. Mike and I have received letters from Congress People in response to our concerns. I love to read great books of classic literature and contemporary poets as well. I like to go...
